1000 Club

The 1000 club is a simple and effective way for people to directly support our children in Nyahururu, Kenya. Funding is required to build more classrooms/dormitories and improve infrastructure such as toilet and shower facilities. To reach the goal of housing and educating 1000 children we need your financial support. The completion of the abandoned babies care facility is a priority for 2009 – 2010. We also need to purchase land adjacent to the orphanage for expansion.

HOW IT WORKS- It's simple. We need 1000 people to commit to $20 per week for **one year** only. The donation is **100% tax deductable**. Instead of a long financial and emotional commitment to a sponsorship program, this is short/sharp and very effective way to really help these children. Funds can be direct debited on a weekly or monthly basis.
