

Child Sponsorship

ABN: 98 608 442 916 Queensland Registration Number: CH1838

Sponsoring a child at HTN means exactly that. All funds go directly towards the daily operating costs for the children. \$45 per month (tax deductible) goes towards feeding, clothing and educating your child. Progress reports, photos and updates will be provided on a regular basis to ensure a continuing bond between you and your sponsor child. AE and HTN encourage sponsors to send emails and letters to your sponsor child, celebrate events together and visit your sponsor child in Kenya. Contact can be made initially through the AE office, and then directly through HTN.

By sponsoring a child through AE, you are not only providing them with financial support, but you are also providing that child with the peace of mind and security of knowing someone, somewhere cares enough to provide a future for them. This is an important part of restoring and developing the child's emotional wellbeing. It is the goal of HTN to care for 1000 children in its program and we need your help to achieve this. AE is a mobilize, effective team – delivering positive outcomes, not to, but with the African community.
